Prayer Letter
February 2022

The Gospel Behind Barbed Wire Magazine Ministry

Thank you for your financial support, without your help it's impossible to publish our magazine. Please pray for all who receive it and read it!

The prison ministry of Vyacheslav Kozlov continues in the Komi Republic: "During Christmas, we delivered 100 packages to the women's prison in Mikun, which included some sweets, fruit, shampoo, toilet paper, tea, and, most importantly, *The Gospel Behind Barbed Wire* magazines. Two former convicts from this prison participated in this ministry. Both have been transformed, one has been baptized; the other is preparing to be baptized. Thanks for your prayers and your help."

RCR Recording Studio Ministry

Thank you for your support of the studio. Our ministry is the legacy of Earl Poysti - the work of evangelism does not stop! The last four CHOICE programs with guests from Sochi scored 115,000 views! Another 65,000 views in the last 30 days have been received for other episodes and programs, including Earl Poysti's Christmas Sermon.

- I've been watching your channel for more than half a day. Thanks! I advise everyone to see this! - Vladimir N.
- God is at work! How grateful we should be! We are all no better than those drug addicts and alcoholics, all mired in sins. We all need to bow our knees before the Lord, with gratitude to Him every second! — Nadia K.

Our needs: We still need to purchase additional disk drives (SSDs and HDDs) to edit all of our videos.

Please pray for the health of all our team members, many of us are sick right now with various illnesses.

Pirkko Home Liberation Center Ministry

Kokino Pirkko Home: "We thank God for His mercy to us, and your involvement in the lives of people who were perishing, but are now alive! The latest events in the center are quite joyful for us: 1) we bought new beds for the guys – now it is quite cozy and comfortable to sleep. Thanks a lot! And 2) brothers from the church began to come to us on a regular basis. They share the Word of God, fellowship with the guys, do counselling and discipleship, and just visit with a cup of tea. These are very useful meetings! Praise God!"

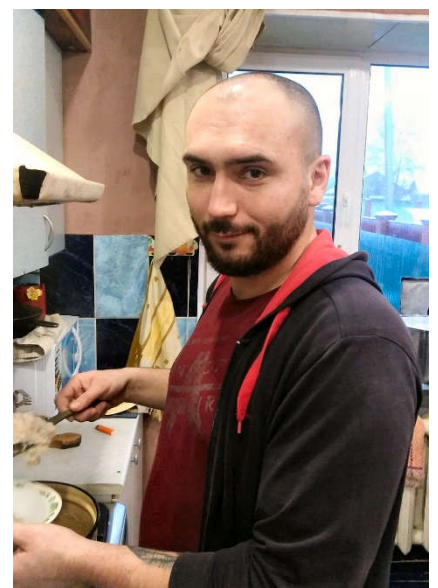

Dyatkovskoye Pirkko Home: "Recently, we purchased electrical supplies for the garage. Now that the holidays are over, we will start installation. Thank you for providing funds for these supplies, as well as bed linens, pillows and towels. In our garage, we began to make furniture for ourselves from older things. Praise the Lord!"

Rumyantsevo Center: "In our center, several people are completing our rehabilitation program and will soon move on to the next stage of adaptation. 'The Lord rescues those being led away to death' (Prov. 24:11), and does His work in the hearts of the guys. One of those who completed rehab and moved on to the next stage is Sergei B., who in the recent past, with much effort, received a Russian citizen passport despite the fact that he was Ukrainian! Sergei was a good cook for us, and he also participated in almost every ministry. He's a very responsible and reliable person. We are very glad that God brought him to the center to hear the Good News and kept him here for all 5 months of rehab!"

Prayer Requests:

- pray for the health of our employees, many of the Moscow staff are sick
- pray for additional SSD and HDD drives for editing video programs
- pray that the Pirkko Home residents would open their hearts to the Lord
- thanks for praying for the sale of the house in Nikulino, it's moving forward again after removal of a power pole.
